# DEDICATION

. . . To be strong, the strong must serve. You have served us in moments of despair, in moments of joy, in moments of daily living . . . The Chapel — the core of our religious life — where cherished words are reinterpreted through your spirit . . . The after-chapel talks and your witty, telling phrases . . . The "Chapel Tower," where words of wisdom ring out weekly . . . Your friendship and your sharing of a sincere and gentle spirit . . . In all these ways you show us that life has meaning for those who care to look for it . . .

To you, Dean Darrah, we dedicate this, the 1958 TOMOKAN.

*" . . . Who's to blame? The administration — that vague but handy word! Some kind of ghost . . . so convenient to abuse. When all is well, we know that we are good. But woe betide the slips! Then it's always They and we call for flesh. Yet in the flesh those who make up the Administration are our saints and leaders and friends . . . those who make Rollins go, who direct the vision and make it real in dark days and in sunshine, even when the rest are on vacation, for their responsibilities never take time off . . . The college administrators, headed by President McKean, in accordance with the Board of Trustees, direct all major college affairs and operate as the coordinating body between the faculty, students, and staff. Included in their duties are regulating tuition, recommending courses to be taught, enforcing rules of the college, and directing and operating Rollins in general. The three Deans, who keep in close contact with President McKean, guide the students and advise them in any problems which may arise. Working closely with Dr. Sidney J. French, Dean of the College, are Mrs. Helen Watson, Dean of Women, and Mr. Dyckman Vermilye, who was newly added to Rollins this year as Dean of Men. Without these administrators, Rollins could not function with the organization and ease necessary for the success of a college.

**ASSISTANT TREASURER** Fred Ward, and Purchasing Agent Harold Mutispaugh, are busy checking figures. It is Mr. Mutispaugh's job to buy all the necessities for the campus. Mr. Ward must be sure that the Rollins budget is balanced at the end of every year.

They look like men and women, like all the rest, and sometimes behave like all the rest. But all have a dream and vision which they're pressed to share. And if we're worthy and up to it, they'll share it; they'll reveal the great love that they treasure within, and share their romance ... for it is not narrow and jealous, but big and generous, and big enough for all to love and let all in ..."*

## Rollins Gives

Rollins, abridged in the Orientation Committee, welcomed on campus the largest freshman class in history. After a formal welcome by President McKean, the class scattered to Student Advisors who indoctrinated the freshmen with the lore of Rollins life and straightened out the mazes of the campus. Such necessities as tests, conferences, and registration are indigenous to Orientation, as well as more social aspects like the roller skating party, the lake front picnic glorified this year by a water show, and the patio square dance.

LIKE A true gentleman, Mo assists Ginny up O'Neal Hall front steps while laden freshmen Suzanne, Judy, Marcia, and June apprehensively ascend into the old mansion's upper story quarters.

CONFERENCE PLAN IS USED BY DR. MORGENROTH AND ELINA AGUERO.

*"... Activities are the trial run of growing up, when we try parts and roles for size and comfort. We'll not be here forever, and beyond our horizons and our ken is a larger world where we must live and fight and dream and die. So here we feint and pass with one another, but really the world is more than a shadow in our midst and so we play for both the here and there . . ."*

Student Council convened this year under the gavel of President Frank Wolfe. The Council officers, together with group representatives, are advised by the Student Deans and work toward solving problems of the Student Association as a whole, promoting school interest and activities. Much is accomplished through committees that fall under the jurisdiction of Council. Two projects tackled were the traffic problem, and promotion of an electric board installed in the Student Center. One of

the major feats accomplished annually under the guidance of the Council is the Fiesta Week, the profits of which go toward scholarships. The executive rostrums of the upper classes are filled after fall elections. A week later the freshman council got underway by exhibiting its enthusiasm and class color during its election campaign. Their efforts resulted in the selection of competent officers and a truly organized class

**THE GRAVEL SOUNDS** each Monday night to the intonation of "the meeting is called to order," and the Student Council settles down to the week's agenda under the guidance of President Frank Wolfe. Dominating the Council room is the recently completed and proudly acquired Rollins crest.

## *Honoraries Serve Campus*

Each year at Rollins College, both students and faculty are chosen on the basis of leadership, helpfulness, and service, to represent the several honorary organizations. These various groups are on the campus to promote interest in all student activities, to handle and direct student study halls, and to develop high scholastic averages. The O.O.O.O. is the men's secret honorary organization which helps to create, maintain, and foster traditions in the student body. Omicron Delta Kappa is the national honorary fraternity for both Junior and Senior men who have proven themselves outstanding in service and leadership. The twin fraternity of ODK is the Order of Libra. This fraternity is an honorary service organization for women who have distinguished themselves as outstanding leaders in extracurricular and scholastic activities. The national publication, WHO'S WHO IN AMERICAN UNIVERSITIES AND COLLEGES, has selected nine seniors who will appear in this year's edition. They are nominated on the basis of leadership, scholarship, and service during their four years at Rollins College.

# *Festivities Crown Founders' Week*

The opening event of Founders' Week could have been the 10:30 p.m. chiming of the Chapel bells, February 17, in order to disseminate the President's announcement proclaiming February 18 as Fox Day. But the real opening event of Founders' Week was the Colloquium on Teddy Roosevelt which author Carleton Putnam presented February 18 in the Mills Memorial Library. Many other activities were scheduled throughout the week including something to interest even the most fickle of tastes. There was a Stetson vs. Rollins basketball game, an organ vespers' service at the Chapel rendered by Catherine Crozier, and several French plays presented by French students at the Fred Stone Theatre. Thursday afternoon brought the most famous bard of all time back to memory with Mrs. Dean's traditional production of "Shakespeareana," complete with orange girls. Then there were the inevitable Trustees' meetings, the musically-gifted students' recitals at Martin Hall, and a highlight for theatre enthusiasts—Arthur Wagner's excellent delivery of his lecture on playwright Arthur Miller. And the week was brought to a climax Saturday evening at the Orlando Country Club with roast beef and a McKean speech at the Founders' Week Dinner for patrons and trustees of the college.

# Honoraries Tap Scholars

Those ranking tops in scholarship, music, drama, science, and the social sciences among the students and faculty were elected to membership in the Campus honoraries. Tappings during the year added freshmen and upperclass students outstanding in scholarship to Phi Society and Key Society. Women excelling in music and drama were added to Phi Beta, while upperclassmen were initiated into Theta Alpha Phi for achievement in dramatics. For superior efforts in science and social science, students and faculty were chosen for Zeta Alpha Epsilon and Pi Gamma Mu.

**FACULTY AND STUDENT** members of Pi Gamma Mu, Florida Gamma Chapter, advance the scientific study of social problems. The national social science honorary taps juniors or seniors who are outstanding in sociology, political science, or history.

## As Chapel

One of the most impressive of the Rollins building, the Knowles Memorial Chapel, lends a solemn dignity and warmth to the campus, serving as a non-sectarian spiritual home for the student body and the surrounding community.

Under the leadership of Dean Theodore Darr, the students contribute to special annual events and the weekly services as readers, ushers, or members of the Chapel Choir under the direction of Robert Hufstader and organist, Mrs. Katherine Crozier. The Chapel is also the scene of organ recitals, all college convocations, and the Baccalaureate Festival.

SENIOR BILL HERBLIN proves his point while speaking in the bi-weekly Vesper service in the Frances Chapel. Participation in the services and annual programs is a privilege of both the students and faculty members.

# Bells Ring

Designed by Ralph Adams Cram, who planned the Princeton University Chapel, construction of the Chapel was begun in 1931 through the inspiration of Mrs. Frances Knowles Warren in memory of her father, Francis Bangs Knowles, a founder and original trustee of Rollins.

Modernized Spanish classic architecture is emphasized in the design of the Chapel and its adjoining gardens. The wood carvings, the sixteenth century tapestry of The Stoning of St. Stephen, the altar cross, the stained glass windows of St. Francis and St. Augustine, The Francis Chapel, the lovely gardens and fountains, are all unforgettable aspects of Knowles Memorial Chapel.

**CANDLELIGHT FLOODS** the aisles of the Knowles Memorial Chapel in the Christmas Candlelight procession, a fitting beginning and climax to the beautiful and impressive annual Christmas Service.

**THE COMMUNITY SERVICE** Club members donate their time to worthwhile service for the community. Their projects include baby-sitting, helping at the Winter Park Hospital, and providing the series of Al-College movies, but help is given wherever the need is found.

**THE CHAPEL STAFF**, which functions to coordinate all Chapel activities, is headed by Corky Borders, and composed of nine elected students, four committee chairmen, two faculty members, Miss Adolphs, and Dean Darrah.

Quarters, dimes, and dollars sent rocket temperatures soaring as the coins came clinking home in the drive to aid schools for handicapped children, supply magazines for the college infirmary, contribute to the World University Student Fund, the Dean's Fund, the Foster Parent's Fund, and other cases needing financial assistance.

# Journalists and Journals

The Publication Union is made up of four student publications: the weekly newspaper, SANDSPUR; the yearbook, TOMOKAN; the creative writing magazine, FLAMINGO; and the guide for all new students, the R-BOOK. The Union is controlled by a board made up of the editors, business managers, and the faculty advisors of each publication. The editors and business managers are elected by the student body in the annual Student Association elections. Staff membership is open to all students, and every student can find a place for himself on any of the publications to use his particular talent, be it creative writing, reporting, advertising, photography or lay-out.

**THESE ASTUTE-LOOKING MEMBERS** who control the Rollins written word meet in their entirety under the title of Student Publication Union.

It's deadline time in the SANDSPUR office and Tom DiBacco, Editor-in-Chief, begins his weekly and rather frantic chant, "To the press!" Editors and staffs pound the typewriters to get the all-important copy and just the right amount of lines finished, checked, and marked with the mysterious symbols of journalism for the printers. The SANDSPUR received a well-deserved fourth consecutive ALL-American rating this fall term, which is tangible evidence of its merit as a college newspaper. The TOMOKAN editorial board and staff worked industriously for the greater part of the year arranging the layout and design of the book, struggling over the correct spacing in cutlines and headlines, and tapping the typewriters furiously in order to produce the final words to meet the all-important deadline times. And after much proverbial blood, sweat, and practically non-existent time, layout was planned, advertisements were acquired, and writing was writ. The 1958 TOMOKAN staff consists of a great number of people and has manifested a deeper interest in the meeting of individual responsibilities for the book on a larger scale than the yellow walls of the office have seen in many years. All this conscientious work and genuine interest was evidenced in the coordination and near case production through the efforts of Bruce Beal, Editor-in-Chief, and his capable assistant and associate underlying editors.

As the house lights dim out, an expectant hush falls over the audience. Slowly, the curtain goes up—the play is on.

Fiesta spelled a hectic weekend for all of Rollins beginning on Thursday at noon with the judging of house decorations. That afternoon the fashion-minded were delighted with "Around the Clock Fashions" starring the Miss Rollins candidates. Evening heralded bright lights and the blare of barkers' voices inviting all to the Carnival to try their skills on everything, including miniature golf, and braving "the herd of wild elephants." A parade of Kings and Queens preceded the Friday merry-making while some enjoyed the dinner hour, soothed by a Marimba Band and graced by the presence of the most magnificent beards, others enjoyed a Latin atmosphere and President McKean's tortillas. The night was climaxed by Fiesta de Noche, including a pageant and informal dance, followed by the Candle Lighting Service. Saturday sported a Field Day and the high point of Fiesta—the dance. Many couples whirled 'round the floor to the music of Phil Napoleon and the theme, "Spring Is Here." Then, an appropriate end to a fabulous Fiesta—the breakfast.

In the year 1935-1936 the intramural system went into effect. It enables the sororities and independent group to compete against each other in team sports as well as individual sports. There is a representative from each group, who in turn makes up the Intramural Board, which sees to current problems in the intramural system.

Fall term starts the basketball season rolling in Rec Hall. In winter term, competition in softball, tennis, and golf are prevalent and for the spring term volleyball, swimming, and archery join the ranks.

# Three-Way Battle Sums Up IM Season

The 1957-58 intramural season saw the rise of a new power to challenge the long dominance of the X-Clubbers and Sigma Nu's—the Lambda Chi's. With the aid of Good Freshman athletic talent, they put up a stiff fight for intramural points . . . the Delta Chi's still proved tough in softball but lacked the height for basketball and volleyball . . . the Sigma Nu's ended the X-Club's five year reign by taking IM basketball with a well-balanced squad . . . the Club maintained its volleyball supremacy over all others and would probably repeat in golf . . . IM tennis was very close between the Snakes and Lambda Chi's . . . The KA's and Triple S had some individual stars but still lacked the overall depth to compete successfully against the other teams. All in all it was a season marked by many exciting moments and one that will long be remembered.

**LET'S GO ROLLINS.** Plenty of spirit is the order of the day as the Tars huddle up for tips from Coach Hellweg before returning to action. Seen here are Bill Bentley, Bob McLaughlin, and Phil Galente joining the team to whoop it up. A year of experience from last year's letter men plus spirit and teamwork all added up to a banner season for Rollins, with the state soccer championship as a reward.

THE TARS SPANISH DELEGATION LED BY EMILIO LEBOLO, FRED CULLERY AND MARIO VEGA MANAGE TO GIVE JACKSONVILLE A LESSON IN SOCCER.

# *Tars Take It All; Cop State Trophy*

THE ROLLINS Soccer team led by Coaches McKean, Hellwege and Justice completed its second year of inter-collegiate competition with a brilliant record of five wins and only one loss.

The climax of the season from the standpoint of tension as well as outstanding playing on the part of both teams was the memorable game between arch rival Stetson and the Tars on the victor's home field. Rollins emerged victorious 5-2 with Co-Captain Denny Learned scoring three goals. However, the highlight of the game centered around the crowd's over-enthusiasm as both sides engaged in an old-fashioned "free for all."

The Tars were aided considerably by the addition this year of two freshmen, Fred Cuillery and Desi Csonger, plus the usual consistency of Ed Flory, Emilio Lebolo and Roberto Muvdi.

WILLIS, TARS FLASHY HALFBACK, ELUDES F.S.C. PLAYER.

RAH! STETSON ROOTERS IN ACTION. THEY CHOKED ON THEIR OWN WORDS, THOUGH, AS THE MIGHTY HATTERS LOST THEIR BRIMS, 5 TO 1.

**TWO!** Jack Ruggles executes a beautiful jump shot from his forward position despite a determined Tampa player's attempt to block it. Chick Bezemer, the Tar's all-star center, readies for a possible rebound.

**HOLD IT!** Lee Martindale goes up for that important rebound but finds the going a little tough as a Kentucky Wesleyan player comes down with the ball. Other Tar players visible are Chick Bezemer and Dick Bishop.

**THE TIP OFF!** The camera catches Rollins' Big Bob Shuder leaping way up there as the Tars host the Tampa five. Seen ready to receive it are Chick Bezemer on the far side and Freshman whiz Dick Bishop on the near side.

# Tar Five Improves

With the return of Rollins' All-Conference, All-State Chick Bezemer for his final year at pivot, the Tar Five proved to be a tough bunch to all opposition. This year's Dan Nymicz-coached basket-ball team was better balanced than in previous years, and their quality of play certainly improved because of it.

Bezemer's shooting and rebounding left little to be desired. Big Bob Schuder's steady game often gave Chick a much-needed rest. Jack Ruggles' bullet-like jump shots from all over the court branded him a threat inside or out, while Gary Gabbard's classy dribbling and playmaking, Boyd Coffie's driving lay-ups, and Lee Martin-dale's sound play gave Rollins a formidable guard combination.

Several freshmen added to this year's squad included Dick Bishop, Bob Griffith, Jerry Beets, John Ladakakos, Jim Brown and Claude Crook. Of these, Dick Bishop and Bob Griffith were men to be watched in coming years. Bishop's wide variety of shots and court savvy earned him a starting birth from the very beginning. His scoring touch rated second only to Bezemer's. Griffith's cool head and outside set shots decided the outcome of several games.

The 1957-58 Tars played a 24-game schedule, 12 of them being Florida Intercollegiate Basketball Conference games. The season started with Florida Southern on December 2nd and wound up with traditional rival Stetson on February 18th. From the tip-off to the final buzzer, it was exciting. The upset over powerful Miami . . . that 80% shooting average in the first quarter against the University of Florida . . . Chick's 33 points against Mercer . . . yes, a season to be remembered.

**THE FREE THROW!** On tip-toe, Tar guard Boyd Coffie keeps his eye on the bucket as the ball softly arches into the air. Rollins' forward, Jack Ruggles, is seen standing in the background.

**HMMM.** Coach Dan Nymicz looks a little worried as he ponders his strategy. Seen beside him are Bob Schuder and Jack Ruggles.

**GO!** Rollins Cheerleaders seem entranced at the game. Seen here are Bark Mead, Judy Hoffman, Judy Strite, Kathy Rhoads, and Joeve Vaughn.

**HALFTIME.** The team takes a breather as Coach Dan gives them instructions before the second half. In the foreground is manager Corky Borders.

Rollins against Stetson at Statesboro, Georgia, at the Regional NAIA Tournament—Rollins 68, Stetson 87.

# Of Men And Oars

Rowing at Rollins began slowly because of poor water conditions and a flu epidemic early in the season. The Varsity suffered four defeats in pre-season races against Syracuse, Wisconsin, Fordham and Florida Southern. Getting back on their feet, the Varsity strove to regain their honorable position in small college competition. Working hard under the watchful eye of Coach "Brad" Bradley, the Varsity began to click together. The arrival of spring and warm weather found Rollins meeting Amherst, Boston U., A.I.C. and Tampa on Lake Maitland. The results of these races encouraged the crew as they entered the State Championship and Dad Vail Regattas.

The Junior Varsity also started slowly with an open-loss to Florida Southern. After juggling positions, Coach Bradley found a combination that developed into a crew capable of maintaining the reputation of former J.V.'s.

HOW ABOUT THAT, UMP? AMHERST PLAYER SLIDES INTO THIRD AS A ROLLINS INFIELDER SHOOTS FOR THAT ALL IMPORTANT TAG.

The varsity team, once again coached by the ever-popular Norm Copeland, is looking forward to another winning season. With the possible exception of Miami, Princeton and Presbyterian, the Tars should win the remainder of their matches.

Returning letterman Jose Ochoa, Dave Hewitson and Phil Lubetkin figure to give the Tars a strong combination. Rounding out the first six are two exceptional freshman players who show tremendous promise for the future—John Henriksen and Luis Dominguez, and Steve Mandel who played in many of the more important matches last year. Many of the other boys on the tennis ladder who figure to make it rough for the first six are Burnam MacLeod, Tom Glymph, Hugh Mitchell, Bill Moulton and Jim Davis. Some of the tougher matches that have yet to be played are Presbyterian, Georgia Tech and Michigan State. With an eye towards the future, the Rollins tennis picture is certainly an optimistic one with two freshmen, two sophomores and one junior in the first six.

The varsity girls tennis team, coached by Norm Copeland, has probably the best women's tennis players ever assembled together in one college. The team is led by Owen McHaney, nationally ranked girl player from Little Rock, Arkansas. Owen is in her second year of competition at Rollins and so far has completely dominated the Tars tennis picture. Playing in the second singles position is Judy Hagan from Ohio who teams with Owen in the doubles. Jane Feise plays in the number three position and gives both Owen and Judy many tough matches. Joan O'Brien, Canada's Junior Champion, plays number four with Ginger Carpenter and Lynn Egry rounding out the first six.

This team has often been touted by Coach Copeland, as well as many other tennis observers, to be the most well-balanced women's team in the country. So far this season, the girls have played Miami twice and the Tampa Women's Club, emerging from these matches in victorious fashion.

# Golfers Look To Winning Season

CRAIG GIVES APPROVING EYE AS HARRISON TAKES A HEALTHY CUT.

The 1957-58 version of the Rollins Golf team gives all indications of being one of the finest golf teams in the country.

As of this writing, Coach Nymicz's Tars have played two matches, winning both of them by decisive scores. They defeated the University of Wisconsin twice, 27-3 and 25-5.

The Tars have all of their lettermen back as well as two promising freshmen. The returning golfers who figure to keep Rollins up in the "limelight" are Jim Curti, Joe Miller, Bob Craig, Bob Ross, Dick Diversi, and Ron Terpak. The two freshmen who will be trying to break into the lineup are Bob Harrison and Jay Dolan. Coach Nymicz can also call on Les Sladkus and Bob Learner in many of the matches.

As this article goes to press, the Tars will face the remaining teams: Florida State University, Florida University, Georgia Tech, University of Georgia, University of Miami, Northern Illinois State, Bradley University, and Florida Southern.

*"... You, our Seniors, dare to bear our mark, 'Made in Rollins.' Here you've been exposed to the great tradition of the enlightened, the sensitive, the responsible. The days' and years' experiences now go with you and are real only in memory and the mind of God. Ahead will be the years, telling whether you have the courage to live the life of the Great Tradition with candor and with courage . . ."*
